# SALVE REGINA UNIVERSITY

NEWPORT, RHODE ISLAND 02840-4192

(401) 847-6650

Dear Members of the Class of '92:

What a marvelous memory book you have produced in this beautiful edition of Regina Maris!

Yours were landmark years on campus--years that climaxed in the striking new Library construction and the emergence of a greater Salve Regina University. As we were advancing in academic distinction, you were equally striving for professional excellence. These golden years represented a pivotal period in your lives, the critical stage of growth in mind and spirit that will define your destiny.

The yearbook survey of your eventful Salve semesters will evoke so many warm personal associations that were central to your Ochre Point experience. Gifted teachers, caring counselors and staff, and cherished classmates have enriched these years with timeless memories. So much of this precious past--the learning and the fun, the loyalties and the laughter--is enshrined in this book.

In future years, as you turn over these pages in fond recollection, I trust you will ever more vividly appreciate the lasting worth of this wonderful chapter in your life story. I pray that you will ever find in your Salve Regina education the source of success and happiness and true fulfillment in the dawning of your life to come.

May God bless you always as you continue your endeavors to become your own best self and to help others to become the best they can become also.

Sincerely,

A handwritten signature in cursive script that reads "Sister Lucille".

Lucille McKillop, RSM  
President

To The Class of 1992:

So much has changed since you arrived here as Freshmen in 1988. Think back to that summer, and you see a world vastly different from the one that now lies before you. Whole countries have ceased to exist; once mighty nations are struggling for existence, and new nations are emerging in their wake. Even our own world here in Newport has seen great change. Our College has become a University, and you are the first graduating class of Salve Regina University. Our library has evolved into a state-of-the-art center for research and learning. And you, members of The Class of 1992, have changed most of all. Look deeply at yourselves and be aware of those changes.

This book captures many of those changes as they happened. Through photographs and words, these pages serve as a testament to your time spent at Salve. I hope you will savor each word and image, and think back to a time when you and the world were very different indeed.

I wish to thank the staff of the 1992 Regina Maris for organizing these thoughts and memories into a very special book. I especially wish to thank the editor, Karen Breen, for her successful pursuit of excellence in producing a book worthy of her talents. Two other names also synonymous with excellence, and who have served their class above and beyond the call of office, are the Senior Class President, Christine Chiaro, and Ann Marie Anzalone, President of the Student Life Senate. These three, along with many others, helped make The Class of 1992 very special, and full of individuals I will never forget.

A handwritten signature in black ink, reading "Gerald Willis". The signature is written in a cursive, flowing style with a large initial "G" and "W".

# MISS PATRICIA A. MURRAY

Miss Murray was an educator and consultant, and taught at Salve Regina for 30 years. She was a specialist in the social problems of aging, and was instrumental in creating and directing the master's degree program in gerontology at the university.

She attended Mercy parochial schools, and remained affiliated with the Sisters of Mercy in their Rhode Island education mission. In her early professional career, she taught as Sister Mary Norbert at St. Mary Academy, Bayview, St. Patrick and St. Joseph Schools, Providence, and St. Edward Junior High School, Pawtucket.

Miss Murray joined the Salve Regina faculty in 1957. She was director of social services at Newport Hospital from 1971-1976. She assisted regional nursing homes as a social-service consultant, and was a lecturer on care of the elderly and other social issues.

She was a graduate of Catholic Teachers College, and Salve Regina University. She earned a master's degree in sociology from the University of Notre Dame, and a doctorate in sociology from Walden University. She also completed special studies at Boston College and the University of Pennsylvania.

Miss Murray was a member of the American Sociological Association, the Association of Medical Sociologists, the Hospital Association of America, and the Social Work Directors of Rhode Island. She served on the board of directors of the Martin Luther King Center from 1987-1990. She is listed in consecutive editions of Who's Who in the East.

# CAPTAIN MICHAEL DASOVICH

Captain Michael Dasovich, Associate Professor of Management who has been hailed as the father of the Graduate Management and Health Services Administration programs at Salve Regina, passed away on January 6.

Captain Dasovich joined the faculty at Salve Regina in 1975. He served as Chairman of the Management Department from its inception in 1975 until 1989, nurturing the program from its infancy to one of the most popular academic programs at the University today.

On the undergraduate level, the success of the Management program under Captain Dasovich led to the development of the Accounting, Economics and Information Systems Science programs. A true visionary, he expanded the Management program itself to include Financial Management, Human Resource Management and Health Services Administration.

Dr. Joan Chapdelaine, Associate Professor, Health Services Administration, praised Captain Dasovich for having the foresight to design management programs around the health service field. This vision led to his development of the Health Services Administration program on both the graduate and undergraduate levels.

"Mike Dasovich was particularly loved by his students for the generous amount of time he devoted to them in career direction counseling and course advising," Dr. Chapdelaine said.

A graduate of Illinois Institute of Technology with a bachelor's degree in political and social sciences, Captain Dasovich received his master's degree in Business Administration from the University of Hawaii. He earned a Master of Arts in Human Development from Salve Regina in 1984.

Captain Dasovich was a member of Beta Gamma Sigma Business Honor Society, the equivalent of Phi Beta Kappa.

A popular teacher on campus, Captain Dasovich is remembered for his keen sense of humor which put students at ease. One former student recalled his knack for helping homesick freshmen to enjoy their college experience.

Dr. Christopher Kiernan, Academic Dean, praised Captain Dasovich for his enthusiasm for the development of the University. "He was loved by the many students he advised and by those who majored in the Management programs," he said.
